Dr. Otto E. Guthe
6818 Oregon Avenue, N. W.
Washington, D. C.

Dear Dr. Guthe:

Enclosed is a copy of a proposal from the American Geographical Society, New York City, requesting Foundation support for the translation and dissemination of Soviet Geographical Literature. It would be very much appreciated if you would furnish us your critical review of this proposal along the following lines:

- a. The need for pursuing this project.
- b. Its value to U. S. scientists performing research and development work in this field of information.
- c. The adequacy of the budget in amount and duration.
- d. Any additional information you deem pertinent.

This application is presented to you for administrative purposes only, and we ask that you return it to us with your reply. Please accept my thanks for the service you render in this respect.

Sincerely yours,

Paul S. Feinstein
Assistant Program Director
